Spanish – Year 6

Spring 1	Weather					
Prior learning						
Lesson objective	To learn 5 ways of saying what the weather is like in Spanish.	To consolidate the previous 5 weather types and introduce 5 more in Spanish.	To learn how to use compass points when talking about the weather, as well as how to say what the temperature is in Spanish.	To learn the days of the week and 2 times of day (in the morning & in the afternoon) in Spanish and combine this with key conjunctions and the 10 previously learnt weather types.	To present a weather forecast in Spanish incorporating everything we have learnt so far in the unit: weather types, conjunctions, compass points, temperature, days of the week and times of day in Spanish, with the addition of a brief introduction.	To revise all language covered so far and complete assessment for the unit.
