Dear Parents/Carers

Use of the Internet in school is a vital part of the education of your son/daughter. As required by the National Curriculum all pupils use computer facilities, including internet access, as an essential part of learning. Both pupils and their parents/carers are asked to sign agreements to show that the e-safety Rules have been understood and agreed. Please read and acknowledge your agreement by signing below.

I know that my child has signed an e-safety agreement form and that they have seen and have access to a copy of the school e-safety rules. We have discussed this document and my child agrees to follow the e-safety rules and to support the safe and responsible use of ICT, including mobile phone use at Meadow Park Academy.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using an educationally filtered service, restricted access email, employing appropriate teaching practice and teaching e-safety skills to pupils.

I understand that the school can check my child's computer files and the internet sites that they visit, and that if they have concerns about their e-safety, e-behaviour or mobile phone usage they will contact me.

I understand the school is not liable for any damages arising from my child's use of the internet facilities.

I will support the school by promoting safe use of the internet and digital technology at home and will inform the school if I have any concerns over my child's e-safety.

As the parent or legal guardian of the above pupil, I have read and understood the attached school e-safety rules and grant permission for my daughter or son to have access to use the internet, school email system and other ICT facilities at school.
