

## 10 Recommended Reads for EYFS

At Meadow Park Academy, we recognise that Reading is one of the **most important** parts of everyday life – the more we read, the better we become at it and the better writers we become too! Reading gives us the power to be anything, do anything and it can take us anywhere. So we have devised a list of our Top 10 Reads for you and your child to enjoy reading together at home. Don't forget to let us know what you thought of them!
