

## Reading Challenges for KS1

Do you love reading? At Meadow Park Academy, we know that reading every day is one of the **most important things** we can do to.

With this in mind, we have created some fun and engaging activities for you to try at home together during the school year, either by yourself, or with your family. Once you have completed one of the tasks, cross it off and move on to the next! You could even take a photo of yourself completing their reading tasks to show your teacher! Remember, there is no rush – the most important thing is to enjoy your reading journey.

If you manage to complete all the tasks, you will receive a special certificate and maybe even a prize!

**So enjoy the challenge and happy reading!**
